

Attica Creek Game Farm

Near Lanigan, Saskatchewan, Francis and Sharon Washkowsky of have been raising Elk for more than 10 years. The last 5 years they became organic farmers. The Washkowskys are certified through Pro-Cert in Saskatoon and believe that they have the only organically certified Elk herd in Saskatchewan. "We presently have 112 animals, half are female and half are males" explains Francis. Their goal is to naturally and humanly raise Elk and be active members of the Organic community for years to come. Visitors are always welcome at Attica Creek so phone at (306) 365-4796 or send an e-mail to fswash@yourlink.ca for more information.
