

Brightspot Organics

We are Brightspot Organics. Our farm is located in central Saskatchewan. The farm started with Grandpa as a regular mixed farm. While he still enjoys helping out on the farm at the age of 95, Dad (Lorne) and son in law Kelly currently manage it. Now with the birth of our two children, this is a forth generation farm! We take pride in how are animals are treated. With plenty of room to go where they please, they live a happy life here too!

We'd like to thank you for supporting our farm by purchasing Clear Creek Organics products. Without your ongoing support, we wouldn't be able to sustain our life here at the farm.
