January 25, 2011 marks the first year anniversary of Clear Creek Organics retail outlet at 425 Victoria Avenue East, as part of Dad's Organic Market. The organic fresh meat and deli counter is an exciting opportunity for the residents of Regina and district.

Clear Creek Organics would like to extend their appreciation to their many organic customers this past year. We look forward to serving you in the years to come. We continue to strive to source organic meats to replace our natural line.

We would also like to extend our gratitude to the staff of our counter as well as the management and staff of Dad's Organic Market. We thank them for their effort and conscientious service to our organic clients.

We continue to expand our in-store product line which now includes "no nitrate added" bacon, deli meats, and fresh sausages. The deli meats are made with organic ingredients and as a result are our most popular seller.

Feel free to come in and visit our counter and help us celebrate our first anniversary. We will be having month-long specials that will help us show our appreciation to our customers. If you don't see something that you would like to try, please do not hesitate to talk to our manager Tim Brodt.

Our phone number at the store is 306-721-1880. For large orders or for special orders please call ahead so that we can ensure that it will be available for you.
