

Clear Creek Organics purchases three organic 4-H calves at Carievale's June achievement day

Clear Creek Organics purchases three organic 4-H calves at Carievale's June achievement day. The mandate of Clear Creek Organics is to aid in the development of organic livestock mismanagement as well as to assist young people to realize the values of this type of livestock system. It is hoped that by purchasing these valued animals at a premium price, that we can fill our companies objectives. Thank you to the 4-H members, their families and the club executive for the effort that it takes to raise such wonderful animals under an organic regime. Well done and we look forward to being a part of next years sale in 2010.

Clear Creek Organics

Thank You
for purchasing my
4-H steer
