

## One Year Anniversary

Clear Creek organics will be celebrating their first year anniversary on January 25, 2011 along with Dad's Organic Market. Their new store location was open one year ago at 425 Victoria Avenue E, Regina. Their meat and deli counter complimented the full-service organic grocery store of Dad's Organic Market as well as the Fresh Organic Bakery.

Over this past year the staff of Clear Creek Organics were pleased to serve our many customers and neighbors. We have learned considerable amount in this timeframe but are continuing to improve our products, services and organic meat line. We thank the organic consumer for their past support and we look forward to serving them in the upcoming year. We encourage them to let us know how we can improve our product line and service.

Tim Brodt, our meat manager, as well as our friendly staff are available to serve our discerning organic consumer. Drop-in and say hello or call us at 306-721-1880.
