

Clear Creek Organics Congratulates Two Farm Kids of Brandon

Clear Creek Organics staff and board members shared in the celebration of Two Farm Kids grand re-opening in Brandon. Sept. 26th and 27th saw the Natural and Organic food store re-open their doors on a bright new and colorful interior. The friendly owners and staff greeted the many past and new patrons to their store with demonstrations and bargains.

Clear Creek Organics were pleased to be a part of the celebration and provided free organic beef patty BBQ but did accept a donation for a local worthy Brandon charity. Clear Creek Organics are the suppliers of certified organic fresh and frozen meat to the store as well will be supplying the NEW organic processed line of products.

When in Brandon visit Two Farm Kids. Sylvia and Glen welcome all visitors and you surely will not be disappointed at the reception and the wide products they have available for the discerning customer.
